National Philanthropy Day® is an annual event presented nationwide by the Association of Fundraising Professionals (AFP) to celebrate outstanding philanthropist and volunteers. Awards given at the event recognize the leaders in the community who make a true impact on the quality of life, cultural vibrancy, and the fabric of the region.

AFP is committed to the principles of inclusion, diversity, equity, and access (IDEA) in the fundraising profession, the philanthropic sector and throughout all of society.

In light of the current circumstances, and with the safety of attendees top of mind, National Philanthropy Day will remain a virtual experience this year.

Thank you for considering a sponsorship for this important celebration!

**Virtual Event Begins at 7:00 p.m. EST**

During the virtual event, awards are presented to individuals, businesses, corporations, and/or foundations who exemplify the philanthropic spirit.

Each year, along with the awards ceremony, a workshop is held to encourage and celebrate ethical and effective fundraising. The workshop is designed for nonprofit professionals of all skill levels as well as Board members to learn about areas of interest specific to the fundraising profession.
